MUNICIPAL PLANNING SERVICES

MPS provided Town Council with an Area Structure Plan update for the Town of Bruderheim. The presentation went into great depth explaining how this process works and Council had some great questions for Jane Dauphinee and Brad MacDonald of MPS.

Borrowing By-Law 01-2024, Water Reservoir Update

At the last Council meeting and Council highlights we reviewed the worst case and best-case scenario, and that staff would continue to provide information as we receive.

Required borrowing (today) \$1, 181, 233.00

Annual payment \$80, 664.00

Today CAO Phyllis is happy to advise that we were successful in our MSI application for \$675,000.

\$100,000 = \$51.38 per year

\$250,000 = \$128.47 per year

So today the math looks like:

Total Project	\$4,907,957.00
AWWP Grant	-\$ 3, 051, 724.00
MSI Funding	-\$675, 000.00

We do have a couple more meetings that we are attending with provincial ministers for additional funding, as well as looking at other options.

May 2024 meeting dates

The May 1, 2024, and May 15, 2024, meeting dates have been moved to May 8, 2024, May 22, 2024 to allow Town Council to attend the Bruderheim School Evening of Laughter and Learning with Phil Callaway on May 1, 2024, from 5-7 p.m.

Bruderheim Youth Council

Bruderheim Youth Council provided an update to Town Council. They have been working very hard at fundraising and sponsorship for the new basketball court. Bruderheim Lions Club donated \$500 to Youth Council with Councillor Geroge Campbell donating \$100 to Youth Council at the meeting. Council and Town Staff are very excited to continue to support the Youth of Bruderheim and to see all of their accomplishments.
